NOTICE TO CUSTOMERS APPLYING OUTSIDE A STATE DEPARTMENT FACILITY

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

REMITTANCE OF FEES

Passport service fees are established by law and regulation (see 22 USC 214, 22 CFR 22.1, and 22 CFR 51.50-56) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900-904). In accordance with the Debt Collection Improvement Act (Pub.L. 104-134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred. In addition, non-payment of passport fees may result in the invalidation of your passport. An invalidated passport cannot be used for travel.

OTHER USES OF SOCIAL SECURITY NUMBERS

Your Social Security Number will be provided to Treasury, used in connection with debt collection and checked against lists of persons ineligible or potentially ineligible to receive a U.S. passport, among other authorized uses.

ELECTRONIC PASSPORT STATEMENT

The Department of State now issues a type of passport book containing an embedded electronic chip and called an "Electronic Passport". The electronic passport book continues to be proof of the bearer's United States citizenship/nationality and identity, and looks and functions in the same way as a passport without a chip. The addition of an electronic chip in the back cover enables the passport book to carry a duplicate electronic copy of all information from the data page. The electronic passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the electronic passport book provides for faster clearance through some of the port-of-entry processes.

The electronic passport book does not require special handling or treatment, but like previous versions, should be protected from extreme heat, bending, and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the electronic passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.
